

Seventh College Synthesis Project Portal: Author Agreement Form

We (the authors/creators) grant the Seventh College Synthesis Program the non-exclusive rights to reproduce, publicly display, publish, and preserve certain content (the "Work") for the purposes of making the Work publically available on a non-commercial open access repository, accessible to UC San Diego students, faculty, and staff.

We warrant as follows:

- (a) that we have reviewed the [Synthesis Project Portal FAQs](#);
- (b) that we have the full power and authority to make this agreement;
- (c) that the Work does not infringe any copyrights or trademarks, nor violate any proprietary rights, nor contain any libelous matter, nor invade the privacy of any person or third party;
- (d) that we have sufficient copyright ownership in the Work and/or permission to grant the rights in this agreement; and
- (e) that if this work is the result of ongoing faculty research, we have consulted with the faculty and they have signed off on inclusion in the collection.

We understand that our work will be published in an open access online repository. Once published, we understand that the Work will be freely available on the Portal to anyone with a UC San Diego account (students, faculty, and staff). We understand that the Work may be modified or removed by the Synthesis Program; please see the [Modification & Removal Policy](#) for more information.
